When you say fine dining, you're talking about THE ENTOURAGE GROUP; the company behind well-known restaurants such as MOMO Restaurant, Bar & Lounge, IZAKAYA Asian Kitchen & Bar (Amsterdam & Munich), THE DUCHESS and MR PORTER (Amsterdam, Barcelona, Ibiza & London), from co-founder & co-owner Yossi Eliyaho.

AMSTERDAM

'This summer, we are opening our first MR PORTER pop-up restaurant in Ibiza. The hospitality concept fits the island perfectly: it's a fine dining steakhouse with a modern way of eating. Not just because of the Mediterranean cuisine and the shared dining concept, but we have also created new vegetarian and light dishes on the menu. Seven years ago, we were one of the first Asian restaurants on the island with IZAKAYA, and now we're bringing something new to the island with MR PORTER Ibiza', says Yossi Eliyaho.

Global expansion

'In September, we will also open our first UK site with MR PORTER London. The city is the Champions League of hospitality, with iconic restaurants and strong competition. It has always been a dream of mine to open a restaurant there. Additionally, we are in the process of bringing our hospitality concepts to Madrid, Milan and even Dubai. 2024 is all about global expansion.'

BARCELONA

Unique worlds

'We don't copy and paste at THE ENTOURAGE GROUP. For each restaurant, we create a unique world. It's like making a film, with a story and a set. Before we open a new restaurant, we first come up with the story. What does this place stand for? What kind of feeling do we want to give people? The DNA of our concepts is then woven into everything: in the glass of wine you drink, in the innovative cuisine, in the music, the lighting, and even in the cutlery.'

IBIZA

Much more than one thing

'At the end of the evening, our guests cannot point to one thing that made the night amazing; it is the total 360 experience. That's what THE ENTOURAGE GROUP is all about. It's time to show that to the rest of the world. But first: off to Ibiza.'
